Drop off in/around Munich or Munich Airport

Transportation, accommodation, breakfast, snacks during the day & dinners are provided and included in the total price. You will need to organize your flight to Munich and/or your entrance ticket for the international PH Conference (if attending) and accommodation during the conference.

Price for the tour incl. taxes: 2047.50 CAD

Payment through our website:

<http://stichpassivedesign.com/passive-houses-services/passive-house-educational-tours/>

Please make sure you have a valid passport, medical insurance and some cash as credit card payments might be limited.

We will let you know where the pick-up on Sunday will be. It depends on how many participants will attend field trips offered by the international PH conference. We will try to accommodate the drop offs on the last Friday as good as possible.

Hope to see you in Munich.
